#### Masks Mandated by Governor

In accordance with the mask mandate issued by Governor Eric Holcomb, masks will be required for all people over the age of 8 who are attending church events, including worship. Masks are available at the Sanctuary entrance or you can bring your own.

#### **Mobile Food Pantry Success**

Last week the Mobile Pantry served a record 180 families with the help of the National Guard and FEPC volunteers, including a few first-timers. Thanks to all who assisted and all who wanted to come but couldn't. Our next regular quarterly pantry will be on September 17.

#### Next Month

Under "normal" circumstances, the following groups and activities will resume in September. This is still our plan with the information we have currently. Please be advised, this is subject to change.
